The Issuer shall cause to be kept at the principal office of the Paying Agent a register (the "Certificate Register") in which registration of the Certificates and of transfers of the Certificates shall be made as provided in the Resolution. This Certificate may be transferred, registered and assigned only on the Certificate Register, and such registration shall be at the expense of the Issuer. This Certificate may be assigned by the execution of the assignment form hereon or by other instrument of transfer and assignment acceptable to the Paying Agent. A new Certificate or Certificates will be delivered by the Paying Agent to the last assignee (the new registered owner) in exchange for this transferred and assigned Certificate after receipt of this Certificate to be transferred in proper form. Such new Certificate or Certificates shall be in the denomination of $5,000 or any integral multiple thereof within a single maturity. Neither the Issuer nor the Paying Agent shall be required to issue, register, transfer or exchange any Certificate during a period (i) beginning at the opening of business on the 15th calendar day of the month next preceding an Interest Payment Date and ending at the close of business on the Interest Payment Date or (ii) with respect to Certificates to be redeemed, at the opening of business fifteen (15) days before the date of the mailing of a notice of redemption of such Certificates and ending on the date of such redemption.

The Certificates are secured by and payable as to principal and interest solely from a pledge and dedication of the excess of annual revenues of the Issuer above statutory, necessary and usual charges after making all required payments in connection with the outstanding Certificates of Indebtedness, Series 2002, of said School Board, in each of the fiscal years during which the Certificates are outstanding. The Issuer has covenanted and agreed and does hereby covenant and agree to budget annually a sufficient sum of money to pay the Certificates, and the interest thereon, as they respectively mature, including any principal and/or interest theretofore matured and then unpaid, and to levy and collect in each year taxes and to collect other revenues within the limits prescribed by law, sufficient to pay the principal of and interest on the Certificates. The Issuer, in the Resolution, has also entered into certain other covenants and agreements with the registered owners of the Certificates, including provision for the issuance of certificates on a parity with the Certificates, for the terms of which reference is made to the Resolution.

This Certificate shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Resolution until the certificate of registration hereon shall have been signed by the Paying Agent.

It is certified that this Certificate is authorized by and is issued in conformity with the requirements of the Constitution and statutes of this State. It is further certified, recited and declared that all acts, conditions and things required to exist, to happen and to be performed precedent to and in the issuance of this Certificate and the issue of which it forms a part to constitute the same legal, binding and valid obligations of the Issuer have existed, have happened and have been performed in due time, form and manner as required by law, and that the indebtedness of the Issuer, including this Certificate and the issue of which it forms a part, does not exceed the limitations prescribed by the Constitution and statutes of the State of Louisiana.

IN WITNESS WHEREOF, the Issuer has caused this Certificate to be executed in its name by the signature of the President and attested by the signature of the Secretary and its corporate seal to be impressed hereon.

SECTION 6. Execution of Certificates. The Certificates shall be signed by the Executive

Officers for, on behalf of, in the name of and under the corporate seal of the Issuer, which

signatures and corporate seal may be either manual or facsimile.
SECTION 7. Pledge and Dedication of Revenues. The Certificates shall be secured by and payable solely from a pledge and dedication of the excess of annual revenues of the Issuer above statutory, necessary and usual charges in each of the Fiscal Years during which the Certificates are outstanding, subject to the payment of principal and interest on the Prior Lien Certificates as the same falls due. There is hereby irrevocably pledged and dedicated to the payment of the Certificates an amount of such excess of annual revenues sufficient to pay same in principal and interest as they respectively mature. Until the Certificates have been paid in full in principal and interest, the Governing Authority does hereby obligate the Issuer, itself and its successors in office, to budget annually a sum of money sufficient to pay the Certificates and the interest thereon as they respectively mature, including any principal and/or interest theretofore matured and then unpaid, and to levy and collect in each year taxes and to collect other revenues within the limits prescribed by law, sufficient to pay the principal of and interest on the Certificates after payment in such years of all the said statutory, necessary and usual charges of the Issuer for the then current year and the principal and interest falling due on the Prior Lien Certificate, and no further or additional pledges or dedications of the aforesaid excess of annual revenues shall be made which shall have priority over or parity with the pledge and dedication of such revenues herein made except that pari passu obligations may be issued in accordance with the provisions of Section 8 hereof.

SECTION 8. Parity Certificates. The Issuer shall issue no other certificates, revenue bonds or any other debt obligations of any kind or nature payable from or enjoying a lien on the excess of annual revenues having priority over or parity with the Certificates, except that additional certificates may hereafter be issued on a parity with the Certificates under the following conditions:

1. The Certificates herein authorized or any part thereof, including the interest thereon, may be refunded, and the refunding certificates so issued shall enjoy complete equality of lien with the portion of the Certificates which is not refunded, if there be any, and the refunding certificates shall continue to enjoy whatever priority of lien over subsequent issues may have been enjoyed by the Certificates refunded; provided, however, that if only a portion of the Certificates outstanding is so refunded and the refunding certificates require total principal and interest payments during any year in excess of the principal and interest which would have been required in such year to pay the Certificates refunded thereby, then such Certificates may not be refunded without the consent of the Owner of the unrefunded portion of the Certificates issued hereunder (provided such consent shall not be required if such refunding certificates meet the requirements set forth in clause 2 of this Section).

2. Additional certificates of indebtedness may be issued on and enjoy a full and complete parity with the Certificates with respect to the excess of annual revenues, after making payments required in connection with the Prior Lien Certificates, provided that the Issuer's Director of Finance, or his successor in function, certifies that the anticipated excess of annual revenues in the year in which the additional certificates of indebtedness are to be issued, as reflected in the budget adopted by the Governing Authority, must at least 1.5 times the combined principal and interest requirements for any fiscal year on the Certificates and the said additional certificates of indebtedness. The Issuer covenants that it will not issue additional certificates on a parity with the Prior Lien Certificates.
(3) Junior and subordinate certificates of indebtedness may be issued without restriction.

(4) The Issuer must be in full compliance with all covenants and undertakings in connection with the Certificates and there must be no delinquencies in payments required to be made in connection therewith.

(5) The additional certificates must be payable as to principal on November 1 of each year, commencing not more than 2 years from the date thereof, and payable as to interest on May 1 and November 1 of each year.

SECTION 9. Sinking Fund. For the payment of the principal of and the interest on the Certificates, there is hereby created a special fund known as "Certificates of Indebtedness (2003) Sinking Fund", said Sinking Fund to be established and maintained with the regularly designated fiscal agent bank of the Issuer. The Issuer shall deposit in the Sinking Fund at least one (1) day in advance of the date on which each payment of principal and/or interest on the Certificates falls due, funds fully sufficient to promptly pay the maturing principal and/or interest so falling due on such date. The depository for the Sinking Fund shall transfer from the Sinking Fund to the Paying Agent funds fully sufficient to pay promptly the principal and interest falling due on such date.

It shall be specifically understood and agreed, however, and this provision shall be a part of this contract, that after the funds have actually been set aside out of the revenues of any Fiscal Year sufficient to pay the principal and interest on the Certificates herein authorized for that Fiscal Year, and all required amounts have been deposited in the aforesaid Sinking Fund established for the Certificates, then any excess of annual revenues remaining in that Fiscal Year shall be free for expenditure by the Issuer for any other lawful corporate purpose.

All moneys deposited with the regularly designated fiscal agent bank or banks of the Issuer or the Paying Agent under the terms of this Resolution shall constitute sacred funds for the benefit of the Owners of the Certificates, and shall be secured by said fiduciaries at all times to the full extent thereof in the manner required by law for the securing of deposits of public funds.

All or any part of the moneys in the Sinking Fund shall, at the written request of the Issuer, be invested in accordance with the provisions of the laws of the State of Louisiana, in which event all income derived from such investments shall be added to the General Fund of the Issuer.

SECTION 10. Budget; Audit. As long as any of the Certificates are outstanding and unpaid in principal or interest, the Issuer shall prepare and adopt a budget prior to the beginning of each Fiscal Year and shall furnish a copy of such budget within thirty (30) days after its adoption to the Paying Agent and the Purchaser; the Issuer shall also furnish a copy of such budget to the Owners of any of the Certificates who request the same. Not later than three (3) months after the close of each Fiscal Year, the Issuer shall cause an audit of its books and accounts to be made by the Legislative Auditor or an independent firm of certified public accountants showing the receipts and disbursements made by the Issuer during the previous Fiscal Year. Such audit shall be available for inspection by the Owner of any of the Certificates, and a copy of such audit shall be furnished to the Purchaser.
SECTION 11. Application of Proceeds. The Executive Officers are hereby empowered, authorized and directed to do any and all things necessary and incidental to carry out all of the provisions of this Resolution, to cause the necessary Certificates to be printed, to issue, execute and seal the Certificates, and to effect delivery thereof as hereinafter provided. The proceeds derived from the sale of the Certificates shall be deposited by the Issuer with its fiscal agent bank or banks to be used only for the purpose for which the Certificates are issued and paying the costs of issuance.

SECTION 12. Certificates Legal Obligations. The Certificates shall constitute legal, binding and valid obligations of the Issuer, and shall be the only representations of the indebtedness as herein authorized and created.

SECTION 13. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the Issuer, or its successor, and the Owner or Owners from time to time of the Certificates, and any such Owner or Owners may at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by this Governing Authority or the Issuer as a result of issuing the Certificates.

No material modification or amendment of this Resolution, or of any Resolution amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Certificates then outstanding; provided, however, that no modification or amendment shall permit a change in the maturity or redemption provisions of the Certificates, or a reduction in the rate of interest thereon, or in the amount of the principal obligation thereof, or affecting the obligation of the Issuer to pay the principal of and the interest on the Certificates as the same shall come due from the revenues appropriated, pledged and dedicated to the payment thereof by this Resolution, or reduce the percentage of the Owners required to consent to any material modification or amendment of this Resolution, without the consent of the Owners of the Certificates.

SECTION 14. Severability; Application of Subsequently Enacted Laws. In case any one or more of the provisions of this Resolution or of the Certificates shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Resolution or of the Certificates, but this Resolution and the Certificates shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provisions enacted after the date of this Resolution which validate or make legal any provision of this Resolution and/or the Certificates which would not otherwise be valid or legal, shall be deemed to apply to this Resolution and to the Certificates.

SECTION 15. Recital of Regularity. This Governing Authority having investigated the regularity of the proceedings had in connection with the Certificates and having determined the same to be regular, the Certificates shall contain the following recital, to-wit:

"It is certified that this Certificate is authorized by and is issued in conformity with the requirements of the Constitution and statutes of this State."
SECTION 16. Effect of Registration. The Issuer, the Paying Agent, and any agent of either of them may treat the Owner in whose name any Certificate is registered as the Owner of such Certificate for the purpose of receiving payment of the principal of and interest on such Certificate and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 17. Notices to Owners. Wherever this Resolution provides for notice to Owners of Certificates of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Owner of such Certificates, at the address of such Owner as it appears in the Certificate Register. In any case where notice to Owners of Certificates is given by mail, neither the failure to mail such notice to any particular Owner of Certificates, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Certificates. Where this Resolution provides for notice in any manner, such notice may be waived in writing by the Owner or Owners entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 18. Cancellation of Certificates. All Certificates surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Paying Agent, shall be promptly canceled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent and, if not already canceled, shall be promptly canceled by the Paying Agent. The Issuer may at any time deliver to the Paying Agent for cancellation any Certificates previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Certificates so delivered shall be promptly canceled by the Paying Agent. All canceled Certificates held by the Paying Agent shall be disposed of as directed in writing by the Issuer.

SECTION 19. Mutilated, Destroyed, Lost or Stolen Certificates. If (1) any mutilated Certificate is surrendered to the Paying Agent, or the Issuer and the Paying Agent receive evidence to their satisfaction of the destruction, loss or theft of any Certificate, and (2) there is delivered to the Issuer and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent that such Certificate has been acquired by a bona fide purchaser, the Issuer shall execute, and upon its request the Paying Agent shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Certificate, a new Certificate of the same maturity and of like tenor, interest rate and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost or stolen Certificate has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Certificate, pay such Certificate. Upon the issuance of any new Certificate under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith. Every new Certificate issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen certificate shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Certificate
shall be at any time enforceable by anyone and shall be entitled to all the benefits of this Resolution equally and ratably with all other Refunded Obligations. Any additional procedures set forth in the Agreement, authorized in this Resolution, shall also be available with respect to mutilated, destroyed, lost or stolen Certificates. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Certificates.

SECTION 20. Discharge of Resolution; Defeasance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid to the Owner, the principal of and interest on the Certificates, at the times and in the manner stipulated in this Resolution, then the pledge of the money, securities, and funds pledged under this Resolution and all covenants, agreements, and other obligations of the Issuer to the Owner shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent shall pay over or deliver all money held by it under this Resolution to the Issuer.

Certificates or interest installments for the payment of which money shall have been set aside and shall be held in trust (through deposit by the Issuer of funds for such payment or otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section if they are defeased in the manner provided by Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended.

SECTION 21. Successor Paying Agent; Paying Agent Agreement. The Issuer will at all times maintain a Paying Agent meeting the qualifications hereinafter described for the performance of the duties hereunder for the Certificates. The designation of the initial Paying Agent in this Resolution is hereby confirmed and approved. The Issuer reserves the right to appoint a successor Paying Agent by (a) filing with the Person then performing such function a certified copy of a Resolution or Ordinance giving notice of the termination of the Agreement and appointing a successor and (b) causing notice to be given to each Owner. Every Paying Agent appointed hereunder shall at all times be a bank or trust company organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, and subject to supervision or examination by Federal or State authority. The Executive Officers are hereby authorized and directed to execute an appropriate Agreement with the Paying Agent for and on behalf of the Issuer in such form as may be satisfactory to said officers, the signatures of said officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder.

SECTION 22. Disclosure Under SEC Rule 15c2-12. It is recognized that the Issuer will not be required to comply with the continuing disclosure requirements described in the Rule 15c-2-12(b) of the Securities and Exchange Commission [17 CFR §240.15c2-12(b)], because:

(a) the Certificates are not being purchased by a broker, dealer or municipal securities dealer acting as an underwriter in a primary offering of municipal securities, and

(b) the Certificates are being sold to only one financial institution (i.e., no more than thirty-five persons), which (i) has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the prospective investment in the Certificates and
(ii) is not purchasing the Certificates for more than one account or with a view to distributing the Certificates.

SECTION 23. Arbitrage. The Issuer covenants and agrees that, to the extent permitted by the laws of the State of Louisiana, it will comply with the requirements of the Internal Revenue Code of 1986 and any amendment thereto (the "Code") in order to establish, maintain and preserve the exclusion from "gross income" of interest on the Certificates under the Code. The Issuer further covenants and agrees that it will not take any action, fail to take any action, or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Certificates or any other funds of the Issuer to be used directly or indirectly in any manner, the effect of which would be to cause the Certificates to be "arbitrage bonds" or would result in the inclusion of the interest on any of the Certificates in gross income under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of Certificate proceeds or (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America or (iii) the use of the proceeds of the Certificates in a manner which would cause the Certificates to be "private activity bonds".

The Executive Officers are hereby empowered, authorized and directed to take any and all action and to execute and deliver any instrument, document or certificate necessary to effectuate the purposes of this Section.

SECTION 24. Qualified Tax-Exempt Obligations. The Certificates are designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code. In making this designation, the Issuer finds and determines that:

(a) the Certificates are not "private activity bonds" within the meaning of the Code; and

(b) the reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Issuer and all subordinate entities in calendar year 2003 does not exceed $10,000,000.

SECTION 25. Publication. A copy of this Resolution shall be published immediately after its adoption in one issue of the official journal of the Issuer.

SECTION 26. Award of Certificates. The Issuer hereby accepts the offer to purchase the Certificates of the Purchaser attached as Exhibit "A" hereto. The Secretary is hereby authorized and directed to signify the Issuer's acceptance of such offer by signature. The Certificates shall be delivered to said Purchaser upon the payment of the principal amount thereof plus accrued interest from the date of the Certificates to the date of delivery thereof.

SECTION 27. Headings. The headings of the various sections hereof are inserted for convenience of reference only and shall not control or affect the meaning or construction of any of the provisions hereof.

SECTION 28. Effective Date. This Resolution shall become effective immediately.
