Lafayette Parish School System

EARLY CHILDHOOD

BEFORE AND AFTER CARE GUIDELINES

Every Pre-k school site will offer before and after care to all pre-k children. Children will be offered enrichment activities during this time. Starting time for before care is either 7:00 a.m. or 7:30 a.m., depending on the school’s start time. After care will end at 5:30 p.m. at all school sites. All children must be picked up on or before 5:30 p.m.

Children must be picked up by a parent, guardian or designee listed by the parent. Pictured identification is required for identification purposes when picking up a child.

It is very important that your child is picked up on time. In the event that you are late picking up your child a third time, he/she will be removed from Before and After Care.

Attached is the Before and After Care Agreement from your child’s principal.
